W.L.B. Had to Act In Ward Case Is Davis' Contention

Failure to Step In Would Admit Right of Those in Various Plants to Call Strikes

Washington, May 22 (AP)—William H. Davis, chairman of the War Labor Board, told a Special House Committee today his agency had to act in the Montgomery Ward Labor dispute or admit that 15,500,000 people in various industries "would be free to strike."

Davis, first witness in the House investigation of the mail order plant seizure in Chicago last month asserted that the W.L.B. intends to step in wherever there is a work stoppage until Congress "tells us clearly" that there are segments of the national economy that are not concerned with the war.

Representative Dewey (R.-Ill) sponsored the investigation on the theory that the Ward mail order plant should not have been seized because it is not a direct war production concern.

Davis said the only way to have an effective no-strike policy is "to ban all strikes" and set up the W.L.B. as the forum for settling all dispute.

If it should be decided that Montgomery Ward is not subject to the no-strike pledge, Davis said, all the employes in distribution, transportation, service trades, wholesale and retail services would have no obligation to remain on the job either.

Such a situation, he said, "would lead finally to a complete disintegration of the existing machinery set up by Congress to preserve industrial peace.

Davis said he thought the Smith-Connally labor disputes act provided adequately for all emergencies, adding that if he is mistaken then in his opinion there ought to be a new law.

Important Company

Davis said Wards operates in 47 states and employs 78,000 persons. He said it was one of two big mail order houses supplying 33 percent of all farmers' drygoods needs, more than 20 per cent of their motorized equipment, 26 per cent of their automotive accessories, 25 per cent of their paint requirements.

"I should not think," the W.L.B. chairman testified, "there would be any doubt that the company which fills these needs of the American farm population is a major factor in the national wartime economy."

Davis emphasizes "if you've got a significant strike—I mean one significant in numbers and publicity—you've got to stop it, because the people just can't tell the difference between permitted and prohibited strikes."

Davis said that anybody who doesn't support the no-strike, no-lockouts program "is doing less than his duty to his country. I don't care whether he's on the labor side or the industry side. He's not a good citizen."

Another Plant Taken

Springfield, Ill., May 22 (AP)—The Hummer Manufacturing Company, second Montgomery Ward property to be seized by the Army within four weeks, resumed production today under government operation when workers on the early shift returned to their jobs.

Lt. Col. Nelson Talbott, War Department representative in charge, said 198 of 200 workers on the early day shift reported at 7 a. m. Spokesmen for the union said "over 90 per cent—all we could notify last night" of the 325 normally employed on the two day shifts agreed to report. The plant employs 550, including some 100 office workers.

There were no disturbances and John J. Suxer, plant manager, said he and other plant officials were "cooperating to the fullest extent" with a 10-man Army contingent which took possession yesterday acting under President Roosevelt's order.

Operations at the factory site had been halted for 17 days by a strike of 450 A.F.L. machinists who protested the concern's rejection of a War Labor Board directive to sign a one-year contract with the union.

U. S. Smokes Win Ecuador

Ecuador continues to increase its use of American cigarettes and imports in 1943 were 300 per cent greater than in 1942, it is reported in Quito. Ecuadorians in the highest income groups prefer American cigarettes but increased consumption is ascribed in part to the presence of large numbers of Americans. The government is giving all possible aid to its tobacco growers and this has restored normal production in one province. The 1943 crop in Ecuador was poor.

U. S. Patrols Fall Back at Terracina

north side of the Liri valley after Polish infantry and tanks, supported by the British from the south, had virtually encircled the town the preceding day. Piedimonte formed one of the Hitler line's most vital bastions.

Enemy Troops Surprised

An official report said that enemy troops in the town were surprised by the swift encirclement and many were taken prisoner.

Resistance was fading in face of the Fifth Army's unrelenting blows at the southern flank of the Liri valley defenses, and a headquarters staff officer said the enemy was abandoning positions within the Hitler line to escape annihilation.

The total of the prisoners taken since the offensive was launched has now gone well beyond 6,000, and the number increased hourly as mopping up continued in the newly-conquered areas and defenses fell one by one.

The German high command was reported shifting fresh troops across Italy from the Adriatic sector, at the same time swinging other units from the south to bolster resistance in the Pico area, where a continued Allied thrust northward would threaten to envelop and destroy the bulk of the forces in the whole Pontecorvo-Aquino zone of the Hitler line.

The Americans in the costal sector, in addition to reaching Terracina, were reported at both the town and mountain named Monte San Biagio, a mile off the Appian way and five miles west of Fondi, in the mountain mass where the enemy was expected to try to establish the southern hinge of a new defense line.

At Terracina, which represents a gain of as much as 25 miles from some of the jumping-off places of the offensive, the Fifth Army was less than 60 airline miles from Rome and more than half way along the road to the Eternal City from Naples.

The advancing Americans also seized Monte Passignano, a mile north of Fondi, as well as Monte Casa Reccio, three miles northwest of the same town.

Outlook Better In Liri

In the Liri valley, which affords the most direct rout to Rome by way of Route 6 (via Casilina), the enemy's defensive outlook was somewhat better.

A headquarters spokesman said there were a number of natural defensive positions between Pontecorvo and Valmontone (45 miles northwest of highway 6) on which the enemy may attempt to stabilize his position and obstruct our further advance.

Bad weather in the target area caused cancellation of heavy bomber flights from Italian bases, but medium and light fighter bombers blasted communications behind the enemy lines and R.A.F. Wellingtons early today bombed the harbors of Portoferraio and Piombino, terminals of the Elba-mainland Ferry.

An enemy air attempt to raid the Allied positions was brought to disaster by an R.A.F. Spitfire squadron. The Spitfires intercepted 20 bomb-carrying F.W.-190's north of Anzio with M.E.-109's escorting. The British shot down eight of the F. W.-190's.

fires went in first and shot up the German ships, the majority of which were minesweepers. Typhoon pilots said one was in flames as they went in low to bomb. Observation of the bombing was difficult but one pilot reported a direct hit or a very near miss. Another silenced the flak from a minesweeper with cannon fire. One typhoon was missing from the operation.

German transport on another side of Nazi Europe also suffered stinging blows as the Mediterranean Allied air force's medium and fighter bombers smashed at bridges and other installations behind embattled enemy positions in Italy.

Activity over the channel continued throughout the forenoon today with fighter formations sweeping out toward the Boulogne, Dieppe areas as another returned from Calais.

Poorera Era Forecast

War will create a poorer people who, however, will have a richer incentive for work, according to Ralph Assheton, financial secretary to the Treasury for England. On the other hand, a generation of peace will bring prosperity of a greater scope than ever known before, he added. Restoration of fortunes will require mobilization of all England's inventive genius and organizing capacity, he told a Nottingham audience.

Allies Win Vital Road From Japs

ltkyina garrison—the road southward to Bhamo.

The communique said the Japanese invaders of India were attacking strongly along the Tiddim road south of Imphal but Allied bombs swept a landslide across their main communication road. An Allied column pushed the enemy slowly back north of Imphal.

An order of the day to Stilwell by Admiral Lord Louis Mountbatten, Allied commander-in-chief for southeast Asia, disclosed the American general has assumed leadership of the "Chindit" troops which first landed southeast of Myitkyina in an air-borne invasion of northern Burma. The "Chindits" first were under Maj. Gen. Orde C. Wingate until he was killed March 24 in a plane crash, and then were commanded by Maj. Gen. W. D. A. Lentaigne, who now becomes Stilwell's subordinate.

Casualties Are 3,829

Advanced Allied Headquarters, New Guinea, May 22 (AP)—Japanese casualties in the month-old American invasion today—nearly 1,000 a week—as the Yanks counted enemy bodies at conquered Wakde and on the mainland nearby where three counterattacks were bloodily repulsed.

Of the total enemy casualties, 3,343 Japanese were killed. This meant 76 Japanese killed for every American in the overall Northern New Guinea operation which began with the April 22 landings at Hollandia and Aitape.

American Sixth Army troops who annihilated every Japanese on Wakde Islands, 110 miles northwest of Hollandia, have counted 676 enemy dead, "with others not yet reported." Gen. Douglas MacArthur announced in his Monday communique.

The Americans pressed against stubborn mortar, machinegun and rifle fire from the top river beachhead on the mainland. Three enemy counter punches Friday and Saturday were turned back, with 111 Japanese dead. The Americans had the support of stafing fighter planes.

The last recapitulation of American casualties in the Hollandia-Aitape sector said 28 Americans had been killed and 95 wounded. In the Wadka area invasion which began Wednesday, 16 Americans have been reported killed and 83 wounded.

Heavy Allied bombers, despite bad weather, pounded two airdromes on Biak Island in the Scouten group, 260 miles northwest of Hollandia and the next day Boston attack planes gave the area a thorough bombing and strafing. Large fuel fires were ignited.

Later accounts brought to five the number of coastal vessels sunk in Friday's assault on Japanese shipping at Manokwari by American attack planes.

Japan 400 Miles Away

U. S. Pacific Fleet Headquarters, Pearl Harbor, May 22 (AP)—Japan was within 400 miles of American land-based bomber range today.

A Liberator from the 11th Army Air Force made this deepest Allied penetration by a land-based plane towards Tokyo in a strike on Shimushiri and Ketoi Islands in the Kuriles Thursday night, Adm. Chester W. Nimitz said yesterday.

The surprised Japanese made no attempt to shoot down the lone Liberator, Nimitz said. He gave no other details of the raid.

In the Central Pacific, the phosphate-producing island of Nauru was bombed Friday for the fourth time this month. Isolated enemy installations in the American-held Marshalls were pounded again.

Aerial Attacks Reported

London, May 22 (AP)—A Japanese communique broadcast by Tokyo radio today said that "enemy naval units" approaching from the east had launched aerial attacks Saturday and Sunday against Central Pacific Minamitori, Island, 1,200 miles southwest of Tokyo.

Damage to Japanese installations was acknowledged in the broadcast recorded by The Associated Press, and the bulletin declared that at least 32 raiding planes were shot down.

Minamitori, or Marcus Island, is about mid-way between the Marshall Islands and the Japanese mainland. It has been attacked before by U. S. fleet units.

Tokyo apparently jumped to the conclusion that it was in for another bombing. The German radio, quoting Tokyo reports, said:

"An air raid alert was sounded in the whole north and east of Japan during the Allied attacks on Marcus Island."

It described the island as "an outpost of the Bonin group of islands which are inside the inner defenses of the Japanese."

Initial Phase Succeeds

Chungking, May 22 (AP)—Chinese forces striking westward from the Salween river in Yunnan province have "successfully concluded" the "initial phase" of their strong offensive aimed toward North Burma, the Chinese high command declares.

No elaboration of the victory statement was given, but a communique yesterday said one Chinese column had repulsed reinforced enemy forces which counter-attacked Friday at Mamien Pass, south of the Burma road. Bitter fighting raged for several hours.

The Chinese command said the situation was unchanged in Honan province, where last reports said the Japanese were besieging Loyang, ancient Chinese capital, and Chinese were cutting down the enemy's hold on the Peiping-Hankow railway.

Meanwhile, Lt. Gen. Joseph W. Stilwell's headquarters announced that American Liberators attacked a radio station on Pratas Island, 190 miles southeast of Hongkong, destroying three buildings and severely damaging another. Enemy shipping also was hit on the seven which dot the Pratas reef within 275 miles of the Philippines.

Financial and Commercial

New York, May 22 (AP)—Assorted stock speciallties edged into new high ground for the year today while many market leaderss found difficulty maintaining their equilibrium.

Principal inspiration for bidders was the outlook for earnings and dividends of individual companies. Although there was little, if any, invasion selling, potential purchasers here and there still seemed reluctant to make additional commitments pending more assurance securities were in shape to take "D-Day" in stride.

Fractional advances were well distributed at the opening and plus marks running to a point or so were observed near the fourth hour. Dealings, active for a while because of a sizable turnover in low-priced shares, slackened later.

Peaks for 1944 were recorded for General Time Instrument, Goodyear Granit City Steel, Hayes Mfg.; National Acme, International Paper, Mack Truck, Public Service of N. J., Continental Can, Crane Co., Firestone Tire and Fruehauf Trailer. In front were Johns-Manville, Southern Railway, Flintkote and Chicago Northwestern common and preferred.

Bonds were selectively improved. Commodities remained hesitant.

Adventures in Pocketbooks

Mindy has a pocketbook
That groans with odds and ends
I'm quite agreed it fills a need
Endowed by modern trends.

It's "woman's land" to say the least
But when it's opened wide
A man may chance a puzzled glance
At countless things inside.
Nine eyes have seen recipient bills
A compact...thread...and keys
A stamp or two with moistened glue
Attached to recipes.

Mindy's ration books are there
And so are beads and rings...
A gingham swatch...an effect watch
And forty other things.
On shopping tours, they're taken out
In view of startled men
Who couldn't learn the magic turn
That puts them back again.

Body of Negro Found in River

Bert Blake, 40, Missing Since Sunday Morning; Verdict Suicide

Bert Blake, 40, a Negro who lived on the Dwyer brickyard on North street, was found drowned in the Hudson river this morning after he had been reported missing from his home since 9 o'clock Sunday morning. Coroner Frank J. McCardle of Rosendale issued a verdict of suicide by submersion in the Hudson river.

The police department received its first report of the missing man about 8 o'clock this morning when Isaac Norman of Steep Rocks called on the telephone and said that Blake was missing.

Mr. Norman said that Blake's knife was found stuck in the dock at the brickyard, and it was believed he had jumped overboard.

Officers were sent to the scene. The fire department was notified and Deputy Fire Chief Harold Sanford and Capt. Edward H. Albrecht went to the brickyard.

Work of grappling for the body was started by Captain Albrecht from a rowboat and the body was found about 10 feet away from where the knife had been stuck into the dock.

The police say that Blake was fully dressed and that he had tied a flat iron to one wrist before he jumped from the dock into the river.

Nine Persons Are Killed

Des Moines, May 22 (AP)—Loss of lives, property and crops continued to mount today with scores of Iowans homeless and some communities under water as rivers of the state overflowed their banks. Nine persons had been killed in floods and tornadoes since Thursday. Waters from the Iowa river in east central Iowa submerged farmlands and heavy livestock losses were reported. Chelsea was under water which was waist high at the town's southern edge.

Van Dyke Causes Early Morning Stir

George Van Dyke, 56, a Negro of 66 Murray street, kept the police department busy for several hours when complaints began to pour in over the telephone regarding him. The first complaint was received about 2 o'clock this morning, and Van Dyke was finally located and placed under arrest shortly after 5 o'clock this morning charged with disorderly conduct.

Later in the morning Judge Daniel Hoffman, after hearing the story of Van Dyke's activities from the police, adjourned the hearing until Wednesday, so that Van Dyke could be examined by physicians.

The first complaint early this morning was to the effect that Van Dyke had started a bonfire in his yard and that the sparks were endangering nearby houses. The police responded in the radio car, but Van Dyke had disappeared.

About an hour later another complaint came in that the Negro was acting queerly on Jansen avenue, but again he could not be located by the police.

The last report was received about 5 o'clock to the effect that Van Dyke had started a bonfire again in his yard, and had then disappeared.

According to the police Van Dyke then went to Foxhall avenue and started ripping up the sidewalk in front of St. Mark's African Methodist Church, when his toil was halted by Officer Wesley Cramer who placed him under arrest and brought him to police headquarters.

Before Van Dyke was found he had ripped up nearly the entire length of sidewalk in front of the church according to the police.

Leonard J. Parise of Newkirk avenue, charged with public intoxication Sunday evening, was fined $2.

Victor Chigas, 16, of Catskill, charged with driving the wrong way on Grand street, a one-way street, forfeited $5 bail when he failed to appear in answer to the charge.

Felix Eugene Payne, a Negro of this city, was arrested on Elmendorf street, charged with public intoxication. The hearing was adjourned until Tuesday.

The world's loudest noise was the volcanic explosion in 1883 of the island of Krakotoa, which was heard as far away as Bangkok, a distance of more than 1,400 miles.

Not an A Card in Ye Group

Wherever they went, they walked . . . on guard at every step. Hardships taught our forefathers the virtue of self-reliance and the need for co-operation. Thus, in the humble cradle of privation, the spirit of our Democracy was born.

Our enemies foolishly ignored the enduring influence of our Nation's heritage when they jeered that we were too soft to fight. Little did they dream that, almost overnight, free men could perfect the finest and best-equipped fighting forces the world has ever seen.

So, today when good citizens see an A card on a windshield, they recognize it as a symbol of what people can accomplish who have learned from experience to work together to attain a common objective.

That same spirit will win this war—and in peacetime that same unity of effort will keep America strong and prosperous for our men and women now on the fighting front.

Japs' 'Peace Terms' Are Published in Tokyo Paper

London, May 22 (AP)—Japanese "peace terms" to the United States involving such "demands" as confiscation of the entire American navy have been published in the Japanese periodical "Meiho," a Berlin broadcast said today.

Other conditions prescribed:

"All expenses arising out of taking over American ships by Japan are to be paid by the United States.

"All large ships of the merchant fleet are to be put at the disposal of Japan.

"All naval installations, naval stations, dockyards, arsenals, colleges and other centers of naval education are to be destroyed.

"In case of the scuttling of a single ship 10 times its value should be paid the Japanese government."

Cubs and parents of Den 2 gathered at the den, 297 Washington avenue Friday evening at 8 o'clock. Clifford C. Dumond was assisted by dads Allan A. Baker, Haskell Naigles, DeWitt Wells and C. Russell Edwards in the construction of a box kite. Cubs Rodney Wells, Richard Naigles, Robert Nelson, Robert Schonger, Russell Edwards, Jr., Charles Baker, Eugene Dumond and Donald Kelly completed their individual kits with assistance of Harold Christion, den chief. G. Albert Dines, cub master, and Henry C. Page, committee chairman, were interested spectators and advisors. Much assistance was given by Supervisor Harold C. Osterhoudt in selection of suitable materials. The meeting closed with the serving of soda and sandwiches, which were prepared by Mrs. Baker.

Present prices of whiskey

Hiram Walker brands are supplied regularly, yet due to wartime demands your dealer often will be unable to furnish the brand you request

OUR GOVERNMENT has found it necessary to place higher taxes on many things in order to raise the billions of dollars needed to win this war.

And whiskey is one of the things on which a higher excise tax has been placed. In altering the prices, the distillery, the wholesaler, and the retailer are adding only the exact amount of the new tax, without "mark-up."

Since our plants stopped distilling whiskey in 1942 the only changes in official prices of Hiram Walker brands have been those due to excise taxes and OPA adjustments.

The official OPA prices of Hiram Walker brands in this city are now as follows:

Canadian Club — Blended Canadian Whiskey 90.4 proof. This whiskey is 6 years old — $5.39 4/5 QUART — $3.38 PINT

OFFICIAL OPA PRICES ON CANADIAN CLUB IMPORTED AFTER MARCH 31, 1944—INCLUDING LATEST FEDERAL EXCISE TAX

Signet — Bottled-in-Bond Rye Whiskey. 100 proof — $4.17 4/5 QUART — $2.64 PINT

OFFICIAL OPA PRICES—INCLUDING LATEST FEDERAL EXCISE TAX

IMPERIAL — Blended Whiskey, 86 proof 30% straight whiskey 70% neutral spirits distilled from fruit and grain — $3.58 4/5 QUART — $2.24 PINT

OFFICIAL OPA PRICES—INCLUDING LATEST FEDERAL EXCISE TAX

A substantial quantity of Hiram Walker brands is supplied regularly to this area. Yet the wartime demand is so great that your dealer often cannot furnish the brand you request. In fairness to him, please be patient and remember that the whiskey shortage is real...due to the war work of the distilleries. The best way to obtain your favorite brand is to ask for it every time!

RESOLUTION DETERMINING THE FORM OF $75,000 PUBLIC IMPROVEMENT BONDS OF 1944 OF THE CITY OF KINGSTON, NEW YORK AND PROVIDING FOR THEIR SALE.

The Common Council of the City of Kingston in the County of Ulster, New York, duly convened, in regular session, HEREBY RESOLVES as follows:

Section 1. The $75,000 Public Improvement Bonds of 1944 authorized by virtue of an ordinance, entitled: "An Ordinance appropriating the aggregate sum of $75,000 for the completion, on the original plans, of certain public improvements heretofore begun as public improvement work relief projects in the City of Kingston, authorizing the issuance of $75,000 bonds to meet said appropriation, and in anticipation of the issuance of said bonds, authorizing the issuance of notes of the City of Kingston," adopted by the Common Council on May 2, 1944, shall be in substantially the following form:

N. Y. Coupon Form 7/15/40. No. 67
UNITED STATES OF AMERICA
STATE OF NEW YORK
COUNTY OF ULSTER
No. CITY OF KINGSTON $1,000
PUBLIC IMPROVEMENT BOND OF 1944

The City of Kingston, in the County of Ulster, a municipal corporation of the State of New York, hereby acknowledges itself indebted and for value received promises to pay to the bearer of this bond or, if it be registered, to the person in whose name it is registered on the first day of June 19 , the sum of One Thousand Dollars ($1,000.), and to pay interest on such sum at the rate of per centum (%) per annum, semi-annually on the first days of June and December in each year from the date of this bond until it matures upon presentation and surrender, as they severally mature, of the coupons thereto annexed herein or if this bond be registered, of the registered holder. Both principal and interest of this bond will be paid in lawful money of the United States of America, at the office of the City Treasurer, City Hall, Kingston, New York.

At the written request of the holder, this bond may be converted into a registered bond and such registration shall be entered on the books of the City, kept in the office of the City Clerk and the coupons annexed hereto cut off and destroyed and a certificate of such registry shall be endorsed upon this bond by such City Clerk after which the principal and interest of this bond shall be payable only to the registered owner, his legal representatives, successors or assigns, and this bond shall be transferable only upon presentation to such City Clerk with a written assignment duly acknowledged or proved. The name of the assignee shall be entered upon this bond and such books.

This bond is one of an authorized issue, the aggregate principal amount of which is $150,000, the bonds of which are of like tenor, except as to number, and is issued pursuant to the following laws of the State of New York, as amended: Chapter 782 of the Laws of 1933, the Charter of the City of Kingston, constituting Chapter 747 of the Laws of 1896, the General Municipal Law, constituting Chapter 24 and the General City Law, constituting Chapter 21, of the Consolidated Laws and by virtue of an ordinance duly adopted by the Common Council of said City of May 2, 1944, approved by the Mayor, and published as required by law.

The faith and credit of said City of Kingston are hereby irrevocably pledged for the punctual payment of the principal of and interest on this bond according to its terms.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and statutes of the State of New York to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of said City is within every debt and other limit prescribed by the Constitution and laws of said State.

IN WITNESS WHEREOF, the City of Kingston, in the County of Ulster, has caused this bond to be signed by its Mayor and its City Treasurer, and its corporate seal to be hereunto affixed and attested by its City Clerk and the coupons hereto attached to be authenticated by the facsimile signature of its City Treasurer and this bond to be dated as of the first day of June , 1944.

Dewey Urges Enlistments In New York Guard

Albany, N. Y., May 22 (AP)—Governor Dewey today urged eligible New York men to enlist in the State Guard "as a patriotic duty."

Reporting a shortage of men in the force organized to replace the National Guard when it was mobilized for federal military service, the governor said in a statement that "prospective federal drafts will further reduce the strength."

"The protection and security of our people require that the ranks of the guard be filled," he declared.

Explaining that the guard accepts enlistees between the ages of 17 and 55, the governor said physical requirements are not as strict as those of the federal forces and asserted there are "thousands" of men over 38 "who can fulfill their patriotic obligation by service in the State Guard."

The War Today

By DeWITT MACKENZIE
(Associated Press War Analyst)

The decisive battle of the European war, Berlin declares, will have to be fought on the German west wall defenses of the invasion zone, and "the real attack must come from the supply base and aircraft carrier, England."

This assertion is made with a worried weather eye on the up-and-doing Allied offensive in Italy. There the Nazis are in a nasty jam, with both flanks of their loudly sung Adolf Hitler line in danger of being turned—on the left wing by the French and on the right by the Americans.

The German appraisal of the general situation—made with the idea of reassuring a jittery home public — isn't exactly accurate, since Hitler will be crushed by concerted Allied action from west, south and east. However, it's true in the sense that we can't put the big squeeze on the fuehrer until his formidable fortifications along the invasion coast have been smashed and we have established ashore a great army headed for Berlin.

There's no question of the ability of the western allies to set up a second front, and even the Germans admit that this can be done. Still, while we refuse to consider the possibility of failure in such an operation, it must be said hypothetically that if there were no invasion of western Europe the war would drag on interminably no matter how much striking power the Russians might apply on the eastern front.

It's equally true, of course, that an invasion by the Western Allies would be long in knocking out the Germans if the Red armies weren't hammering the enemy on the eastern front. There must be pressure on both sides.

Berlin is right in saying that England is the logical base and "aircraft carrier" for invasion. It's by far the nearest of all feasible bases for the direct invasion route into western Europe. That's why the Allies are preparing to hit straight into the toughest defenses there are.

The Moscow communist newspaper Pravda says D-day is imminent. Viewing the Allied offensive in Italy with vast approval, Pravda declares that the cracking of the Hitler line has shown the Germans that "the Allies are capable of breaking any defense, and possess sufficient forces to do so."

While the Gustav line, the Adolf Hitler line, and the various other German defenses in Italy have been plenty tough, they haven't shown the strength which may be expected in the west wall in France, according to accounts made public by the Allied high command the other day. Also we mustn't forget that the greatest danger to the Allies on D-day will lie in battling their way ashore from the sea. The invasion will provide a brand new type of hell for military history.

LEGAL NOTICES

AN ORDINANCE AUTHORIZING THE COMPLETION ON THE ORIGINAL PLANS OF CERTAIN PUBLIC IMPROVEMENTS HERETOFORE BEGUN AS PUBLIC IMPROVEMENT WORK RELIEF PROJECTS IN THE CITY OF KINGSTON, AUTHORIZING THE ISSUANCE OF $75,000 BONDS TO MEET SAID APPROPRIATION, AND IN ANTICIPATION OF THE ISSUANCE OF SAID BONDS, AUTHORIZING THE ISSUANCE OF NOTES OF THE CITY OF KINGSTON.

The Common Council of the City of Kingston, in the County of Ulster, New York, convened in regular session, HEREBY ORDAINS:

Section 1. The completion by the City is hereby authorized of a public improvement which was begun prior to July 1, 1943, as a public improvement work relief project undertaken through or by authority of the Works Project Administration, and consists of the installation of a sewage treatment plant and equipment on East Strand between Hasbrouck avenue and Tompkins street, said project having a period of probable usefulness of fifteen (15) years, computed from June 1, 1944. For the said completion, the sum of $50,000 is hereby appropriated. To meet said appropriation, bonds of the City shall be issued in an aggregate principal amount not exceeding $50,000. Said completion shall be on the original plans of the improvement.

Section 2. The completion by the City is hereby authorized of a public improvement which was begun prior to July 1, 1943, as a public improvement work relief project undertaken through or by authority of the Work Projects Administration, and consists of the installation of the Roosevelt Park outfall sewer in the Second Ward of the City, said project having a period of probable usefulness of fifteen (15) years, computed from June 1, 1944. To provide $25,000.00, which sum is hereby appropriated, bonds of the City shall be issued in an aggregate principal amount not exceeding $25,000. Said completion shall be on the original plans of the improvement.

Section 3. Said bonds shall be combined into a single issue in an aggregate principal amount of $75,000, shall be dated June 1, 1944, and shall mature in annual instalments of principal as set forth in the following schedule:

	$50,000	$25,000	$75,000

Section 4. Said bonds shall bear interest at a rate not exceeding five per centum (5%) per annum, as shall be determined by the treasurer upon receipt of bids, expressed in a multiple of one-quarter or one-tenth of one per centum per annum, payable semi-annually, shall be numbered from one upwards in order of maturity, shall be of the denomination of $1,000 each, shall be coupon in form, registerable as to both principal and interest, shall be payable as to both principal and interest in lawful money of the United States of America, at the office of the City Treasurer, shall be signed by the Mayor and Treasurer, and, the corporate seal of the City shall be affixed thereto, and attested by the City Clerk, and the coupons attached to said bonds shall be authenticated by the facsimile signature of the City Treasurer.

Section 5. It is hereby determined and declared that prior to July 1, 1943 the City received and applied Federal aid to the projects referred to in sections 1 and 2 of this ordinance.

Section 6. Said bonds shall contain a recital that they are issued pursuant to the following laws of the State of New York, as amended: Chapter 782 of the Laws of 1933, the Charter of the City of Kingston, constituting Chapter 747 of the Laws of 1896, the General Municipal Law, constituting Chapter 24 and the General City Law, constituting Chapter 21, of the Consolidated Laws, and by virtue of this ordinance.

Section 7. In anticipation of the issuance of said bonds, notes of the City are hereby authorized to be issued in an aggregate principal amount of not exceeding $75,000. Such authorization shall be in conformity with and not in addition to the authorization of bonds herein provided.

Section 8. The faith and credit of the City of Kingston are hereby irrevocably pledged for the punctual payment of the principal of and the interest on said bonds and notes, and there shall be inserted in the annual estimate for the years in which such bonds and interest thereon shall be payable, in addition to all other sums authorized by law, and raised by tax, a sum sufficient to pay the principal and interest of said bonds as the same shall become due.

Section 9. This ordinance shall be published at least twice in the Kingston Daily Freeman, and in the Kingston Daily Leader, which newspapers are allied to and support the two political parties which cast the greatest number of votes in the preceding general election and are the official newspapers of the City, and shall take effect immediately after such publication.

Transmitted to the Mayor by the City Clerk the 8th day of May, 1944.

LEO F. FENNELLY,
City Clerk.

Approved by the Mayor the 8th day of May, 1944.

WM. F. EDELMUTH,
Mayor.

Flashes of Life Sketched in Brief

By The Associated Press

Red Tape

New York—A government worker arrived at her building minus her badge, so her identification had to be checked.

This took 15 minutes and when she reached her office she was required to fill out a form explaining the tardiness.

Upon reaching the question, "where did you reside during the period of your absence?" she wrote:

"In the lobby of this building."

Signs Of The Times

New York—Girls have a new way of selecting civilian candidates for matrimony. One was overheard telling another:

"A well baked neck's the thing to look for. That's where you get burned working in a Victory Garden. And with ration points the way they are, a good provider's what you want these days."

Trustworthy

Ellbertson, Ga.—It was hot when Sheriff John Starke reached his office with a negro prisoner and discovered he had left his six-shooter in his car down the street. Knowing that negroes don't mind a little heat, he said:

"Boy, go back to the car and bring me my gun."

And the prisoner did.

Watch Dog

Berlin, Conn.—Chicken thieves who stole all 25 hens from John Scarola evidently thought John would have no further need of a watch dog, so they took the pooch too.

Just Seems That Long

Portland, Ore.—Two policemen found a motorist asleep at the wheel of his automobile parked in the center of a downtown street. Explained the driver:

"I was just waiting for the light to turn."

The Payoff

Chicago—Rosemary Karier, a candy store clerk, found a wallet containing $1,438. She then hunted and found its owner. He gave her 25 cents reward.

On second thought, sometime later, he increased the tip. He gave her an additional $1.

Two Girls Hurt In Sunday Crash

Joan Parslow, 17, of 28 Flatbush avenue, and Frances Lown, 17, of Downs street, were injured, but not seriously, Sunday afternoon at 3:55 o'clock when the automobile they were riding in, driven by Lester C. Elmendorf, Jr., of 173 Ten Broeck avenue, was in collision with an automobile driven by Curtis Shurter of 12 Belvedere street.

Both girls were treated at the Kingston Hospital for their injuries. According to the police report Miss Parslow suffered lacerations of the face, and Miss Lown lacerations of the knee.

According to the police report both cars were being driven on Albany avenue and when in front of the Governor Clinton Hotel the Elmendorf car struck the Shurter car in the rear.

The damage to the Shurter car consisted of damaged rear bumper and left rear fender, while the Elmendorf car was damaged on the right front fender, grill, windshield and mirror.

HIGHLAND

Highland, May 22—The meeting of Chapter A, P.E.O. met Thursday afternoon with Mrs. Gordon Wilcox. The program centered around the convention held at Hotel Commodore, New York, last week and reports were given by the president, Mrs. J. C. Wygant, Jr., Mrs. Howard Barton, Mrs. Wilcox, Mrs. Franklin Welker. The chapter has planned to make contributions to the Victory fund and at the next meeting held at the Stone house there will be initiation Present were Mrs. Wygant, Mrs. Welker, Miss Lulu Clarke, Mrs. John F. Poughkeepsie High Nine To Play Maroons Tuesday

Stadium Contest Should Present Thrills Galore; Campbell Probable K.H.S. Pitcher

The Kingston High School baseball squad will seek revenge on Poughkeepsie for the close 2-1 defeat they received at their hands two weeks ago Tuesday afternoon at the municipal stadium. Since the squads are regarded as equal, the game is expected to be one of the closest and most thrilling contests of the year. Game time is 4:30.

After plastering the Middies Friday afternoon, 10-1, the Maroon is ready to battle the foe with all her strength. Although the definite starting pitcher has still not been announced, the nod will probably go to "Soup" Campbell, who held the Kallochmen to six hits two weeks ago but who lost the game. Jack Watzka, veteran hurler and winner of Friday's game, will probably be saved for the all-important game Thursday at Port Jervis, against whom he hurled a no-hitter on May 12. However, he may be called on to twirl tomorrow if Campbell tires.

Will Face Sherman

For Poughkeepsie, Johnny Sherman, who held the Maroons to five hits while beating them 2-1 in the previous meeting of these two clubs will be called on to face them again. The Blue and White ace will cause plenty of trouble for Coach Pete Hatch's tossers as his record indicates. If, however, Sherman should require some help, the rookie fireballer, Eddie Moran, is fully capable of administering such. However, no matter who is given the nod the Maroon battlers will have to battle to outslug their worthy opponents.

Despite the fact that Kingston got 10 runs off the Middie pitcher it must be remembered that only four of them were earned. The Maroon batting power, which was highly lacking in the Newburgh game, was still not up to par. Although Kingston got nine hits, only one was for more than one base, a well-hit two bagger by Lefty Vogt. Joe Shattan, whose hitting streak has now gone to six straight, was able to get only one hit a blooping single into center. If the Maroon hopes to justify itself against the Kallochmen Tuesday, it will have to perk up and begin to show itself.

The great rivalry between Kingston and Poughkeepsie depends a lot on Tuesday's game. If Kingston can win the Maroon will hold the edge over the Blue in number of contests won but if the Kallochmen should take the contest, the result will be even. Poughkeepsie has won one football game and one baseball contest, while Kingston beat Poughkeepsie twice in basketball and once in track. If the Maroon should win Tuesday it would be the first time Kingston has outclassed the Blue and White in many seasons.

New York, May 22 (AP)—It looks like Warren Wright's Pensive Kentucky Derby and Preakness winner, will face two threats from George Widener's stable in the Classic Belmont Stakes on June 3.

Widener's Platter ran second to Pensive in the Preakness. Who Goes There, another Widener three-year-old, became the second threat by easily winning the Withers mile on Saturday. Who Goes There paid $40.90 in beating Alfred Parker's By Jimminy by four lengths.

Angeles Camp, Calif., May 22 (AP)—"Maggie" owned by Merlin Fisher, 13, Stockton, Calif., is the International Jumping Frog Champion. "Maggie" set a new world's record of 16 feet 2 inches yesterday in the 17th annual event.

The former record was 15 feet 10 inches, held by "Zip" owned by Eddie Robinson also of Stockton. "Zip" also broke the old record yesterday with a leap of 16 feet.

A crowd of 5,000 persons witnessed the event which was featured by the unveiling of a statue of Mary Twain, who's story "The Jumping Frog of Calaveras" brought fame to this community.

Houston, Texas, May 22 (AP)—A million dollar gate is a novelty in boxing—or was.

Down here they're planning to click the turnstiles at the rate of $20,000,000 June 21, and they claim that would be the biggest "draw" in fight history.

Principals in the extravaganza of cash and socks are Cpl. Al Hostak, twice middleweight champion of the world, and Cpl. Glenn Lee, formerly No. 1 contender for the crown.

The ten-round bout will be the feature of a boxing carnival in connection with the fifth war loan drive. Admission will be by bond purchase only with 11,000 seats scaled from $25 in the balcony to $50,000 a pair for ringsides. The total, if all seats are filled—and the committee has no doubt they will be—will reach $20,000,000.

The Elks Lodge, sponsoring the show, will pay the purses of the fighters and all other expenses.

The Detroit Tigers nudged the New York Yankees and the St. Louis Cardinals out of the Major League limelight yesterday. The Bengals swept a doubleheader from Washington to run their winning streak to six straight and climb into the American League first division.

Dizzy Trout and Hal Newhouser turned in two fine pitching performances to whip the Senators, 2 to 1 and 7 to 1, at Washington in the latest development of their winning streak that started in Philadelphia last Wednesday night.

Meanwhile the Yankees beat the St. Louis Browns at Yankee Stadium, before 59,161 (54,725 paid), largest crowd of the season. The Yanks took the opener, 4 to 3, in 12 innings when George Caster forced home the winning run by walking Johnny Lindell with the bases loaded. The nightcap was comparatively easy for the Bronx bombers, 8 to 1.

Giants Lose

The Cardinals breezing along in the National League top spot, walloped the New York Giants at St. Louis 10 to 3 in the first game, but had to be content with a split when the Giants took the nightcap 7 to 5. Giants Manager Mel Ott hit his first homer away from the Polo Grounds in two years.

Charley Grimm's Chicago Cubs surprised by blasting the Boston Braves, 15 to 1 and 14 to 5 at Wrigley Field. Al Javery, Braves starting pitcher, was banished in the third inning of the second game for disputing Umpire Jocko Conlan's calling of balls behind the plate.

The Boston Red Sox wound up their home stand by whipping the Chicago White Sox twice, 4 to 3 and 9 to 2, to sweep a four-game series. The double setback dumped the Sox into the cellar.

Bums Go Deeper

Cincinnati shoved Brooklyn deeper into seventh place in the National loop by winning a doubleheader, 5 to 3 and 6 to 5. Gee Walker's single with two out won the nightcap, which went 10 innings.

Cleveland made it three straight over Connie Mack's Philadelphia Athletics by taking the first game of a twin bill, 5 to 4, in 11 innings but dropped the nightcap, 3 to 2, on Steve Gromek's wild pitch in the eighth. George Kell of the A's scored from second on the errant heave.

Frank Colman's pinch triple in the eighth gave Pittsburgh a 4 to 3 triumph over the Phillies in the first game of their twin bill at Pittsburgh. The Phils were ahead, 9 to 4, in the second game when it was called after the eighth inning because of the Sunday curfew law. The last inning will be played the next time the Phils visit Pittsburgh. Until then the game does not count in the standings.

Lincoln, Neb.—Iowa State won Big Six Track Championship with 67 points to 56½ for second place Kansas University.

Week-End Sports

(By The Associated Press)

New York—George Widener's Who Goes There, $40.90, won Withers mile by four lengths over Alfred Parker's By Jimminy. Crowd of 40,732 wagered record $3,562,771 on eight races. Crispin Oglebay's Boy Knight was third.

Philadelphia—Navy won annual IC-4A track title by scoring 81 points at Franklin Field, a new meet record. Army was second with 35½ and Dartmouth with 26½.

Fresno, Calif.—Southern California rolled up 54 points to win the west coast track relays for 12th time in 18 years. San Francisco Olympic Club and University of California tied for second with 39½.

Princeton, N. J. — Army won Eastern Intercollegiate Golf Championship by beating Navy by one stroke in an extra hole playoff.

Ithaca, N. Y.—Navy won Eastern Collegiate Rowing Championship by beating M.I.T. by length in two-mile regatta on Lake Cayuga. Cornell was third and Columbia fourth.

Birmingham, Ala. — Georgia Tech won Southeastern Track title with record total of 90 points. L.S.U. was second with 65.

Detroit—Abe Hirchberg's Black Bade, $4.50, won $7,500 Boots and Saddle Handicap, opening day feature at Detroit Fair Grounds before record first day crowd of 25,630.

Boston—Miss Ruth Brougher's Valdina Lamar easily won $5,000 Commonwealth Handicap at Suffolk Downs by six lengths over Onebill.

Chicago—Bill Flesch and Buddy Bomar, of Chicago, won National Doubles Match Game Bowling Championship with total of 16 points.

Louisville, Ky.—Nine race horses, valued at from $30,000 to $50,000 were destroyed in a fire that razed barn at Churchill Downs.

Chicago—John Marsch's Occupation $4.00, captured $5,000 Crete Handicap by length over Chipamink before record attendance of 22,674 at Lincoln Field meeting at Hawthorne.

Louisville, Ky.—Tall Tree Stable's Sea Marriage, $50.60, closed fast to win Au Revoir Handicap, feature of closing day at Churchill Downs.

Kingston Trackmen Defeat Poughkeepsie High, 69-26

The Kingston High School track squad defeated Poughkeepsie Saturday afternoon by a score of 69-26. Taking first place in every event except two, the Maroon gained the most complete victory a K. H. S. track squad has had in several years. The only two events in which a Kingston man did not place first were the pole vault in which Harry Koch and Gene Fitzgerald were tied for second and third and the high jump in which Sammy Forte took second.

Bud Rafferty started things off for Kingston in the first race of the afternoon, the 220 hurdles by winning his first race of the year in the fast time of 28.6 but the victory was not as complete as this indicates for the Poughkeepsie star tripped and fell over the last hurdle and was forced to drop out of the race. In this same race Rogers of the Bridge city squad and Dick Hoyt of Kingston took second and third respectively. Ken Whispell, the Maroon's most successful rookie slashed his winning mark of 10.9 by winning the 100 yard dash in 10.6. Lucas of Kingston came in second while Gumbinger of Poughkeepsie took third. The only other sprint of the day was the 220-yard dash which was almost a repetition of the 100 for Whispell won in 24.1 but Miller of the Maroon and White took second and Gumbinger again took third.

The mile saw Neumont Culver easily overcome Johnson of Poughkeepsie slashing last week's winning mark by three seconds as he won in 4:48.1 on the half mile. Lorrentino of the Blue and White who led throughout the race was finally edged out by Kingston's ace. Bernie Stahl in 2:08. Dolan of Kingston came in third. The 440 was a complete victory for the Maroon and White runners as they took all three places. Rizzi easily won in 54.6 while Goldberg took second and Smith third.

The field events, which are usually something a Kingston track fan does not wish to speak about were just the opposite Saturday. As Poughkeepsie does not have the javelin or discus, there were only 12 possible point getting places and of these the Kingmen took eight. In the pole vault, as already mentioned Wilkinson took first at 10' while Koch and Fitzgerald were tied for second and third at 9' 9". In a comparatively low high jumping contest Jemieson won at 4' 10" while Forte took second while Borden and Bolin both of Poughkeepsie were tied for third. Kingston's ace shot putter, Gabe Szekeres won that event at 36' 8" while Lauter of Poughkeepsie took second and Walt Bruckholz of Kingston third. The broad jump was another complete victory for the Kiasmen when Neumont Culver, winner of the mile, took first at 19' 8¾" and Rizzi came in second while Dolan placed third.

The final event of the day, the 880 yard relay race saw Kingston's team of Miller, Lucas, Blume and Rafferty defeat the Blue and White in the fast time of 140.9 to give Kingston the meet 69-26.

Seabee Training Taught Kramer to Keep in Good Trim

St. Louis Browns' Hurler Credits Boot Training With Teaching Him About Condition

By JOE REICHLER

New York, May 22 (AP)—A six-month stay with the Seabees in the U. S. Navy has converted Jack Kramer of the St. Louis Browns into one of the best pitchers in the major leagues today.

In an interview, the tall 26-year-old righthander declared his rigorous boot training with the fighting Seabees had taught him the value of keeping in condition.

He disclosed that it was because of his not being in shape that he was shipped down the river by the Browns at the end of the 1942 season.

"When I first joined the Browns in 1939, I was a big green kid. I thought I could overpower the batters with my speed, and I paid little attention to training. As a result, I found that I'd tire after pitching five or six innings. But my experience in the Seabees has taught me the importance of keeping fit. Because of my Navy training I'm in better shape than I've ever been in my life."

Kramer spearheaded the St. Louis drive which enabled the Browns to tie the major league consecutive victory record at the start of the season by winning their first nine games. Jack won five times before he lost because of poor support.

After his honorable discharge from the Navy last summer due to a sinus disorder, Kramer was optioned by the Browns to Toledo, where he pitched the Mudhens into the American Association playoffs.

Kramer came to the Browns for the first time in 1939. He won nine games in his first year in the majors, but was able to win only seven games in his next two years.

He believes he is a better pitcher now because he has gained experience. "I suppose when a fellow gets older, he learns more. For one thing, I have better control and then I'm lucky to have a former catcher like Luke Sewell for a manager. I've also learned much from Freddy Hoffman and Zach Taylor, our coaches, who were once catchers, too."
